Referenz-Nummer: GHI-30521-3

Art der Anstellung: Unbefristete Festanstellung

Ort: Hamburg, Bremen, Berlin, Hannover, Bielefeld, Köln, Frankfurt am Main, Kassel, Nürnberg, Saarbrücken, Dortmund, Magdeburg, Erfurt, Stuttgart, Freiburg im Breisgau, München, Dresden, Leipzig

Der Arbeitgeber

Our customer is a leading global strategy and operations consulting firm, with particular expertise in performance benchmarking and business process reengineering. For companies wanting to optimize their service delivery models, we offer deep expertise in organizational design and in business process outsourcing options including HR outsourcing, IT outsourcing and more. Our cash flow analysis services have helped clients to free up billions of dollars in improved cash flow. Our procurement expertise extends to strategic sourcing and supply chain optimization, while our technology services include support for IT strategy development as well as specific platform deployments such as Oracle or SAP implementation.

Die Position

Due to unprecedented growth in the DACH region, we are currently interested in talking to consultants at all stages of their career - **Senior Managers / Managers / Senior Consultants / Consultants / Associates Global Business Services / Finance / HR Transformation - DACH (m/f/d)** - who have a strong finance transformation background and would be interested in an international career whilst being focused on growing our German practice.

- Working closely with Fortune 500 and DAX listed companies
- GBS / Shared Services/ BPO strategic and optimisation projects across multiple functions
- Full life-cycle transformation projects
- Exposure to our unique fact-based methodologies, benchmarking and research IP
- Contributing as a part of small, senior project teams working directly with the C-suite
- Working as part of a dynamic, truly international consulting business
- Germany based with European Travel
- Competitive Salary and Benefits

Besondere Merkmale

Unprecedented growth means that the opportunity to grow and develop with our DACH practice has never been better. Whether your desire is to build on subject matter expertise, thought leadership or gain significant commercial exposure, our customer is the place to be. We continually strive for excellence internally and externally on the journey to World Class, and offer a truly international platform to drive your career from.

Die Anforderungen

You will already have had involvement with significant finance transformation programmes, probably focused around Shared Service or Outsourcing projects in the DACH region. You must be able to demonstrate both sophisticated consulting skills in German at C-suite level, and considerable depth of knowledge of finance processes. Our consultants work in small, senior teams and as such you should be comfortable being very hands on.

In addition to the qualifications listed above, the firm places high emphasis on relevant personal qualities: entrepreneurial, creative, imaginative, resourceful, independent, motivated, professional and collaborative.

Language Requirements: Fluency in German and English
